BUILDING A POSITIVE WORKPLACE CULTURE

Date: 3-4 June 2021

Time: 9.00 am - 5.00 pm

Venue: DreamEDGE, Cyberjaya

Code: SSA2

OVERVIEW

We spend at least a third of our life, and half of our waking hours at work. It is therefore important to understand our individual contribution to create a positive workplace culture and how to get the best from ourselves, staff and work colleagues.

This course presents new idea and strategies from the field of positive psychology and its application in the workplace. The course will enable participants to gain practical skills in positive leadership and in creating a positive climate to boost well-being, performance and employee satisfaction.

Organised by

OBJECTIVE

The participant will:

- Know yourself, your attitude and your style of interacting with people.
- Identify factors that influence your attitude, your goals at work and in life.
- Recognise the connection between attitude and success in career.
- Strategies for building positive teamwork.

LEARNING OUTCOME

At the end of the training, participant will be able to:

- Improve their personality when knowing their attitude when interacting with people.
- Alert and take right action towards factors that give influence on their attitude, goals at work and in life.
- Having positive attitude to perform better at work life.
