MINDSET TRANSFORMATION

Date: 5-6 July 2021

Time: 9.00 am - 5.00 pm

Venue: DreamEDGE, Cyberjaya

Code: SSA3

OVERVIEW

Our mindset dictates the way we think and therefore the running account that takes place in our head. It governs not only the way we think but also the way we act and behave and how we make our decisions. If we get into an internal monologue that is just focused on self-judgment and criticism, we have unconsciously created a fixed mindset which can be negative and self-defeating. Fixed mindset places obstacles and prevent us from achieving our goals and retarding our personal growth. On the other hand, people with growth mindset are positive and constantly self-encouraging and positive in their outlook in life. Their internal monologues are positive talks that focus on learning and constructive action and forward looking.

The course gears up participants with the knowledge and skills to maintain positive mindset and be motivated at work in order to improve the performance.
