SEXUAL HARASSMENT

Date: 8 November 2021

Time: 9.00 am - 5.00 pm

Venue: DreamEDGE, Cyberjaya

Code: SSJ1

OVERVIEW

Surveys carried out in a number of industrialised countries showed that the proportions of female employees who had been subjected to sexual harassment in those countries ranged from 42 to 70 percents. There may be no conclusive research findings on the incidence of sexual harassment in this country, but we are very sure that the problem does exist at least in certain work places especially those with large female workforce, and we are convinced that the situation already warrants due attention and remedial action so that it does not get worse.

The course focuses to the guidelines on the establishment and implementation of in-house preventive and redress mechanism to deal with sexual harassment at the organisation level.

OBJECTIVE

- Identify practical guidance on the protection of the dignity of men and women at work.
