MANAGING ABSENTEEISM

Date: 27-28 December 2021

Time: 9.00 am - 5.00 pm

Venue: DreamEDGE, Cyberjaya

Code: SSJ2

OVERVIEW

Poor attendance and absenteeism at the workplace is a very serious problem especially in the manufacturing environment which needs to be addressed in accordance with accepted practices as the expense of the company's productivity. High absenteeism if not managed properly will result in higher production cost due to increased overtime payments for other employees to cover the absent employee's duties.

This course trains participants to effectively manage and deal with absenteeism at the workplace and expose wrong methods as well as practices of disciplining employees due to absenteeism.
